About Art Market San Francisco:

Art Market San Francisco, the Bay Area's premier contemporary and modern art fair, will feature established galleries from around the globe bringing some of the world's most intriguing artists and galleries to San Francisco. In showcasing historically important work alongside relevant contemporary pieces and projects, Art Market San Francisco creates an ideal context for the discovery, exploration, and acquisition of art.

About Art Market Productions:

Art Market Productions is a partnership between Jeffrey Wainhouse, Max Fishko and the dealers they work with. Since 2011 Art Market Productions has produced a different type of art fair that focuses on creating the highest quality fair experience by connecting collectors with dealers in the most optimal settings and contexts. Art Market Productions is dedicated to improving the art world by creating platforms and expanding networks of connection.

Art Market Productions currently produces six art fairs: Art on Paper, Art Market San Francisco, Market Art + Design, Seattle Art Fair, Texas Contemporary, and Miami Project.
